Grand River OHS is committed to preventing occupational illness and injury in the workplace.

In fulfilling this commitment, we will provide and maintain a safe and healthy work environment as indicated by acceptable industry practices and compliance with legislative requirements.

We will strive to eliminate any foreseeable hazards which may result in damage to property and personal injuries or illnesses to our employees, supplied labour, visitors, and contractors.

All management (including senior managers and supervisors) functions will comply with Grand River OHS's Health and Safety Program requirements.

Grand River OHS will make every reasonable effort to provide suitable return to work opportunities for every employee who is unable to perform his or her regular duties following an injury or illness.

All supervisors have the direct responsibility to ensure that safe and healthy work conditions are maintained in his or her assigned work area, which includes visitors and contractors.

All employees, supplied labour and contractors must perform their jobs safely in accordance with legislative requirements, our Health and Safety Program, as well as our Safe Work Procedures and Practices.
